M. R. PARRISH, EDITOR. SATURDAY, - - - Oct. 12, 1867

Information for the People.

[Original and Selected by Ches. M. O'Mare, Druggist | DEALER IN DRY GOODS, FAMILY SUPPLIES, & Mange in Cattle.-Make a wash of four ounces pyroligneous acid and one pint of water; apply daily; at the same time, take two ounces powdered sassafras, a handful powdered charceal, and one ounce of sulphur. To My Old Friends and the Mix well together, and divide into six parts : one to be given in the feed night and morn-

rest of the herd. Lice on Cattle.- May be destroyed with a decoction of two ounces of lobelia seed in one quart of boiling water; let it stand and keep warm for a few hours, until the strength is extracted; apply with a sponge. A decoction of cocculus indicus, made in the same way, will answer when the lobelia seed cannot be obtained.

Sheep Ticks .- May be destroyed with the decoction of lobelia seed made as above. Colic in Cattle.-Take powdered aniseed, half a teaspoonful; powdered cinnamon, half a teaspoonful; mix, and give in a quart of spearmint tea; repeat if necessary.

To Destroy Insects on Trees, Shrubs, etc. Tie up some flour of sulphur in a piece of gauze, and dust the plants with it. To Preserve Grain from Vermin .- Sprinkle garlic about the place it is stored in, or

paint the wood-work with coal tar.

A Wrinkle about the Age of Horses. -The following information as to ascertaining the age of a horse, after it has passed the ninth year, is quite new to us, and will be to most of our readers: After the horse is nine years old, a wrinkle comes on the cyclid, at the upper corner of the lower lid, and every year thereafter he has one well defined wrinkle for each year of his age over nine. If, for instance, a borse has three wrinkles, he is twelve. Add the number of wrinkles to nine, and you will always get at his age.

Soak your Corn in a Solution of Saltpetre. It destroys the worm, is not relished by crows or squirrels, and yields much more abundantly than when planted without. Condition Powders for Horses and Cat-

tle.-Take powdered assafætida, finely-powdered saltpetre, powdered flax seed and cream tartar, equal parts, and rub them well together. Dose for a horse, one tablespoonful three times a day. A bran mash should be given every few days.

To Free Barns and Out-Houses from Mites and Weevils .- Let the walls and rafters, above and below, of such granaries, be covered completely with quicklime, slacked in water, in which wormwood, hyssop, and nux vomica should be previously boiled. Apply this composition as hot as possible.

To Prevent Horses from being Teased by Flies .- Take two or three small handfulls of walnut leaves, on which pour two or three quarts of cold water; let it infuse one night, and pour the whole next morning into a kettle, and boil it for a quarter of an hour; when cold, it is fit for use. Moisten a sponge with it, and before the horse goes out of the stable, let those parts which are most irritable be smeared over with the liquor. Pennyroyal, prepared in the same way, is equally good.

Remedy for Worms in Horses .- Put a handful of sifted wood-ashes in a quart bot- Bolivar Select School tle, and fill the bottle with cider vinegar. It will foam like a glass of soda; and it should be given to the horse that has worms the moment it foams. Two bottles will cure the worst attack of worms. For forty years I have never known an instance of failure where this remedy was applied at once.

MASONIC.

TRIBUTE OF RESPECT .- Whereas, It hath pleased Almighty God, to take from this ford, while we deplore his sudden, and untimely fate, we bow with resignation to the WM. H. STEPHENS, will of our Heavenly Father; therefore, be it Resolved, That we deeply sympathize with the bereaved, and sorrowing family, and do offer the words of fraternal kindness, consolation to their stricken hearts.

services, at the residence of Bro. W. C. Bradford, on Sunday, 22d inst., and that we wear the usual badge of mourning for thirty

MEDICAL. DR. JOHN BULL

Manufacturer and Vender of the Celebrated Smith's Tonic Syrup

FOR THE CURE OF

AGUE and FEVER Chills and Fever.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies over offered to the public for the safe, Centain, speedy and PERMANENT cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and inevery case more certain to cure, if its use is continued in smaller doors for a week or two after the disease has been checked, more aspecially in difficult and long-standing cases. Usually, thi medicine will not require any aid to keep the bowels in good order; should the patient, however, require a thurtie medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMI-LY PILLS will be sufficient.

DR. JOHN BULL'S Principal Office, No. 40 Fifth, Cross Street,

LOUISVILLE, KY. All of the above remedies for sale by CHARLE M. O'HARA, (Successor to Dr. T. E. Moore)

BOLIVAB, TENN.

Attachment Notice. W. T. Yopp vs. Clarket Brown. It appearing from affidavit in this cause that the defendants have fraudulently disposed of their property, and that attachment in this cause having been returned with a levy on defendants property endorsed thereon, it is ordered that publication be made as to said defendants, S. H. Clark and W. H. Brown, requiring them to appear before me at my office in Middleton, Hardeman county, Tenn., in back room of J. M Henve's store, on Saturday, Sept. 28, 1867, and de-
